HOW TO ORDER

COLLECT IN PERSON

If you wish to 'call and collect', you will always be made welcome at our shop and sales counter during business hours. We advise you to pre-check by phone that we have the part/s you want in stock.

We accept payment by credit card, cash, bank draft, travellers cheque, building society cheque, and personal cheque (when presented with a cheque card) even if the cheque card limit is exceeded, and by business cheque with accompanying letterhead.

ORDERING BY PHONE

Please quote your home postcode and part numbers where possible. This gives instant access to our computerised records and stock control system. If you have any difficulty in selecting the parts you need, our expert staff can help.

UK Payment for Phone Orders

When you have checked on price, availability and delivery costs you can place your order by phone using Visa, MasterCard, Delta/Connect, Maestro, Solo, JCB, Diners Club, or American Express. You will merely need to tell us the card number, expiry date (or issue number), cardholder's full name and registered card address.

After Hours Ordering Service

We operate a 24-hour answering/ordering service which is available to card holders out of normal hours for both UK and Overseas customers. Just leave all necessary details on our telephone voice mails, ie your vehicle type, year, model, the parts and/or the part numbers you require, plus your name, address (inc. postcode), credit card details and delivery address (if different).

ORDERING BY POST

Triumph House, Sleaford Road, Bracebridge Heath, Lincoln, LN4 2NA, England.

We ask you to phone first if at all possible - to check your parts selection, and to advise of delivery charges. Because prices and availability sometimes change, we can also confirm the exact remittance needed avoiding unnecessary delays. If you have not been able to telephone, please give us all possible information - car type/year, RH or LH, front/rear etc - so we can check your selection (including your name, address and postcode) in all correspondence.

UK Payment for Post Orders

Send your remittance with the order. We accept payment by personal cheque even if the cheque guarantee card limit is exceeded. All we require is your full name and address on the back of the cheque along with your cheque card number and for business cheques, a relevant letterhead. Cheques or P.O.s made out "Rimmer Bros Ltd" please.

Note, if you are unsure as to the exact amount to send, you can write across the top of your cheque, "Cheque Value Not To Exceed £...". You can post us your credit card details if you prefer. If you send cash, note that we cannot accept responsibility for any loss, so registered mail is essential. Bank drafts and Building Society cheques are also accepted.

ORDERING BY FAX

01522 567600

Another facility for customers who wish to make enquiries, or order by credit, debit or charge card. Again, we will need your name, address (inc. postcode), credit card details and delivery address (if different). Plus fullest possible car/parts details - as for orders by post.

ORDERING BY E-MAIL

E-Mail: mgrover@rimmerbros.co.uk

Use our E-Mail address for sending your order or parts enquiry. State if you require us to confirm prices, as they can sometimes alter at short notice.

NOTE: On-line ordering via our website will follow shortly. Check out how it works for our other marques on...

www.rimmerbros.co.uk

WE NORMALLY DESPATCH SAME DAY

We do our utmost to despatch same day (stocked items) on UK orders taken up to 2pm, although in busy times we treat our 'Next Day' orders with priority.

FRAUD PREVENTION

We wish to confirm to our customers that we do not show your credit card details on any paperwork nor do we pass on any details held on our database to any 3rd parties. We also now insist that your first order must be delivered to the card holders registered address. We will also ask for the 3 digit security number found on the signature strip. These measures for first-time users will help prevent unauthorised use of a credit/debit card. Additionally we randomly select orders for authorisation checks.

HOW TO FIND US

We're 2 miles south of Lincoln, on A15 Lincoln to Sleaford road.

GENERAL INFORMATION

PRICING PRICES

We show two columns of prices, one excluding VAT (for worldwide, outside EC countries) and one including VAT (currently 17.5% for UK and EC countries). The cost of delivery should be added to the cost of the part(s). See 'Choice of Delivery Methods'.

Prices in this Price List were correct at the time of going to press but are subject to change without prior notice. Please confirm all prices when ordering.

All goods are sold subject to the price ruling at the time of invoicing.

Please note:- up to date prices are available on our website.

VAT

Residents of UK and EC countries pay VAT (currently 17.5%) on parts and delivery. For EC businesses who are VAT registered, we require your VAT number and official order to export at VAT exempt prices. For worldwide (outside the EC) orders sent direct from our premises, VAT is not applicable.

WARRANTY

PARTS WARRANTIES All new and reconditioned parts are covered by a 12 month manufacturer's warranty unless specifically stated. You should notify us immediately if a potential warranty situation arises. The warranty period commences from our invoice date not from the date of installation or first use. This warranty covers defects to the part when fitted and used correctly for normal, everyday vehicle use but does not apply to parts used for any extraordinary or unusual uses such as competition, racing, rallying or parts subsequently stripped down, altered, modified or adapted etc. in any way from their original design or intended use. Although we are, by law, liable for death or personal injury caused by our proven negligence and by The Sale of Goods Act 1979, our warranty only covers the parts in question and not to any consequential loss or cost, e.g. garage labour, recovery, car hire, re-delivery, parking fines, etc. No claim will be validated if the failure is caused by misuse, neglect, overheating, incorrect installation or failure of a related component. Any part replaced or repaired under warranty, will only benefit from the balance of the cover remaining from the original purchase date. Warranties are not transferable. Acceptance of goods is deemed as acceptance of these terms. The warranties are in addition to, and do not affect your statutory consumer rights.

MAJOR UNIT WARRANTIES Reconditioned full engines, gearboxes & axles are covered by a 12,000 mile/12 month (from purchase) warranty (whichever is sooner). There are special warranty terms and conditions that relate to these units for both UK and overseas customers. Warranties on short engines and cylinder heads will be considered within the 12,000 mile/12 month period only when we establish that installation/build up has been correctly carried out. Failure of these units can be influenced by other components or incorrect assembly and as such, is out of our control. Please refer to our supplementary 'Warranty Terms and Conditions' for full details, copies of which are available on request, prior to sale.

How to Claim In the rare event of a new or reconditioned part becoming faulty, please notify us immediately. It must be returned to us together with the original invoice or proof of purchase with as much information relating to the fault as possible. Please note that the defective part must be returned and received before it can be exchanged.

Delivery costs are based on size, weight and method of delivery. We have discounted rates with well known carriers, so costs are kept to a minimum. Please note that costs are calculated by carriers on both actual and dimensional weights and the higher is charged. Send us a list of the parts you need (using post, phone, fax or E-Mail), tell us quantities and urgency, and we will work out the best delivery method and quickly advise you of the cost. Written quotations are available on request. Please note that any local import duty, taxes or customs clearance are not included in our prices and must be paid by you.

TROUBLESHOOTER GUIDE

PLEASE CHECK YOUR PARCELS

When you sign for a parcel please inspect it carefully. If it has suffered in transit you can mark the delivery note "Parcel Damaged" before signing or even refuse delivery in serious cases. We do, of course, pack carefully and strongly to help avoid these problems! Some deliveries involve more than one parcel - please check that ALL have been received.

We must be advised within 48 hours of delivery of any shortages or damaged goods.

LOSS IN TRANSIT

If your parcel does not arrive, we have to establish our claim with the carriers concerned before we can send a replacement consignment. This can sometimes be a lengthy process and if your part is needed urgently a second order can be paid for to save time. We refund one of your orders as soon as the carriers clear our claim.

RETURNS

RETURNS OF PARTS NOT REQUIRED - WITHIN 7 DAYS

All goods sold are covered by the Consumer Protection (Distance Selling) Regulations, which allow for a seven day 'cooling off' period during which you may cancel your order (in writing) by sending us a letter, fax or e-mail at any time up to and including the seventh working day after the day on which you received your purchase. If you exercise your statutory right to cancel you must immediately return to us (at your own cost), the item(s) that you do not wish to keep. Carriage charges are non-refundable. We will acknowledge receipt of your written cancellation by issuing a 'Returns Authorisation Number' which should be quoted and accompanied by a proof of purchase or invoice when returning the goods. Please ensure all goods are adequately packed to avoid damage, that you insure them accordingly with the carrier used and obtain a proof of shipment. Please note that all goods must be in the condition supplied at the point of sale and with their original, undamaged packaging. Returns are not permitted on parts specially ordered by Rimmer Bros on customer's behalf.

RETURNS OF PARTS NOT REQUIRED - WITHIN 7-28 DAYS

As an added benefit to Rimmer Bros customers and in addition to your statutory cancellation right (as detailed above), returns may be considered outside the 7 day cooling off period up to and including 28 days after you receive your purchase, subject to the following criteria. Please note that any offset, credit or refund will be at the sole discretion of Rimmer Bros' Ltd. A 'Returns Authorisation Number' must be applied for within the 7 to 28 day period. Where goods have been correctly supplied, it may be possible to offset the full value of the return against another order of the same or higher value. Alternatively, a credit note (for the full value) could be offered. Please note that any cash refund will be subject to a handling charge (typically 15% min £5) to cover administration and re-stocking costs. Carriage charges are non-refundable.

All goods returned for a credit or exchange must be accompanied by our invoice quoting the 'Return Authorisation Number'. Please complete the form on the reverse side of the invoice.
